To make a plural, the singular is often doubled.

- e.g. *month* = *bulan*
- *months* = *bulan-bulan*

Students will need to have access to numbers, to write/read dates.

### Slide Content

Yanti introduces the unit “Months”

### Activities

Let’s start with a couple of basic words. Listen to and repeat these words.

You will notice some of the words we look at are very similar to the English version.

Januari = January
Febuari = February
Maret = March
April = April
Mei = May
Juni = June
Juli = July
Agustus = August
September = September
Oktober = October
Nopember = November
Desember = December

Click on each month to hear the Indonesian pronunciation.

Match the English and Bahasa Indonesia words for each month a linking line will appear between the correct matches.
