Lesson Focus: Using Adjectives

Students will be asked to write their own (or with a partner) conversation. They will need to base this on the conversation on slide 1, but will be able to substitute words to vary it slightly. The conversation can be found in the student worksheets as well.

**Slide**

Using Adjectives

**Content**

Arial introduces unit - Pets and Hobbies - Using Adjectives

Arial: Hai Hartono. Ini anjing kesayangan saya. Namanya Jing – Jing. = Hi Hartono. This is my pet dog. His name is Jing-Jing.
Hartono: Oh! Bagaimana anjing itu? = Oh! What's he like?
Arial: Anjing itu ramah dan suka bermain. = He's friendly and playful.
Hartono: Di mana anjing itu tinggal? = Where does he live?
Arial: Di luar di halaman belakang. = Outside in the backyard

**Activities**

Listen to and repeat this conversation between Hartono and Arial. You will also find this in your worksheets.
