<p>Covers 3.U1.1 3.U1.3 3.U1.4 3.MLC.1</p> <p>The word “berapa” is used in relation to time instead of “apa” because numbers are being used.</p>		<p>Arial introduces unit Stage Three Unit, Telling time - What's the time?</p>	
<p>The word “pada” means on/at</p> <p>e.g. Pada jam berapa olahraga? What time is sport? (on)</p>		<p>one o'clock – jam satu two o'clock – jam dua three o'clock – jam tiga four o'clock – jam empat five o'clock – jam lima six o'clock – jam enam seven o'clock – jam tujuh eight o'clock – jam delapan nine o'clock – jam sembilan ten o'clock – jam sepuluh eleven o'clock – jam sebelas twelve o'clock – jam dua belas</p>	<p>Let's do a quick revision of the “o'clock” times. Remember they will all start with the word “jam”, which is pronounced “jarm”. This can mean “o'clock”, “hour” or “clock”.</p> <p>Listen to and repeat the times.</p>
		<p>Jam berapa? = What's the time Jam tujuh = It is seven o'clock</p> <p>Pukul berapa? = What's the time? Jam delapan = It is 8 o'clock</p>	<p>When asking the time, either the word “jam” or “pukul” could be used. Listen to and repeat the sentences.</p>
		<p>Clock 1 (3 o'clock) Jam berapa sekarang? = What's the time now? Jam tiga sekarang = It's now 3 o'clock</p> <p>Clock 2 (6 o'clock) Jam berapa sekarang? = What's the time now? Jam enam sekarang = It's now 6 o'clock</p>	<p>Look at the clocks. Listening to the question, “jam berapa sekarang?” (What's the time now?) and the answer given.</p>

Lesson Focus	Slide	Content	Activities
		<p>Clock 1 : 5 o'clock Clock 2 : 9 o'clock Clock 3 : 2 o'clock Clock 4 : 12 o'clock</p>	<p>This time half the class can ask the question, "jam berapa sekarang?" The other half will need to answer using the time given to them. e.g. jam tujuh sekarang</p>
		<p>Q1. Pada jam berapa makan siang? (What time is lunch?) A. Makan siang pada jam answer.</p> <p>Q2. Pada jam berapa olahraga? (What time is sport?) A. Olahraga pada jam answer.</p> <p>Q3. Pada jam berapa matematika? (What time is mathematics?) A. Matematika pada jam answer.</p>	<p>Let's practise some questions. You will have to fill in the missing time as a class. Listen to and repeat the question. The same words will be used in the answer.</p>
		<p>Use an Indonesian dictionary to write your own question/s to share with a group or the class</p>
